Clean Up Day – 18th September 2020 Report

This was ATC's first one due to April's being cancelled due to the coronavirus.

30 residents, a dozen people from Mackley's Ltd, our County Councillor and ATC councillors all volunteered to help with the clean-up day.

A good 3 dozen bags of rubbish were collected on the day. Those that came and helped enjoyed themselves and many were happy to say that they would come and help at the next one.

ATC are planning to have official Clean Up Days twice a year, hopefully one in April time and again in September.

All volunteers were thanked and given a reusable cup as a token of ATC's appreciation.
