

## **Arundel Town Council**

Link Councillor Report- October 2020

Councillor John Bradley – Community Land Trust (CLT)

The CLT held its monthly directors' meeting on 24<sup>th</sup> September. This was my first opportunity to join a meeting and introduce myself as their link with ATC. I agreed that I will attend their monthly meeting where it does not clash with ATC commitments.

The agenda item most relevant to ATC related to Community Infrastructure Levy (CIL) payments. The CLT wishes to work closely with ATC to ensure that any projects of benefit to Arundel are on the CIL list with Arun District Council. This will ensure that CIL funds arising from the Ford Road Project can be spend on these projects.
