

FMT March 2021

The FMT working group do not want to put the prices up this year for Weddings or Event Hire. Recovery from the Pandemic is going to take some time. Two industries that have been hit extremely hard are hospitality and weddings. The forever increasing competition year on year with other new venues popping up in West Sussex remains as always, a threat.

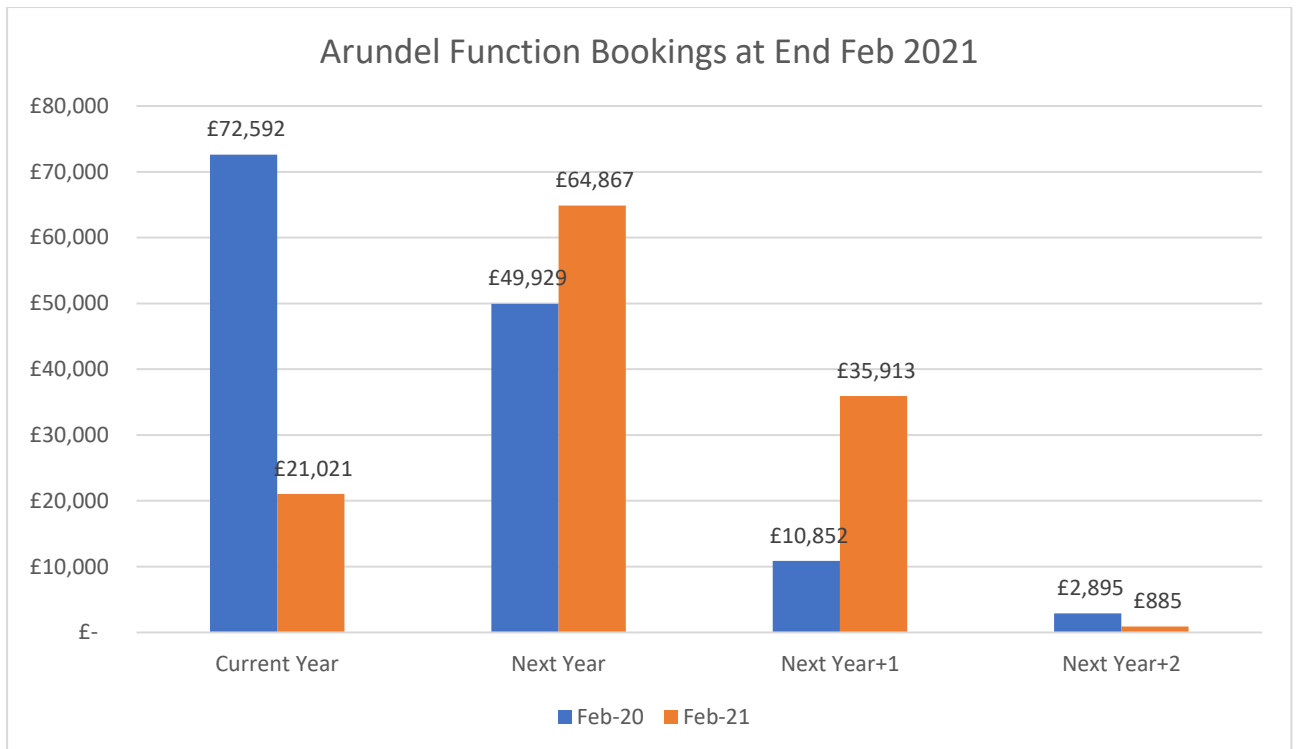

Marriage has been put on hold for 8 months of lockdown in this current financial year with restrictive measures possibly being released at the earliest 21st June 2021. Therefore, the Town Hall wants to capture any bridal couples that have been waiting, cancelled their original weddings, or are now considering in trying to tie the knot by having competitive hire. Our Strapline “Historic Classy Venue with Affordable Prices” still being true.

Winter/Spring discounts can be implemented and acted upon accordingly depending upon the economic recovery.

Please see below the chart /figures for the next 3 years.

FMT report - Bookings at 28 Feb 2021

	Totals of end of Mth	Current Year	Next Year	Next Year+1	Next Year+2	Total
Prior Year	Feb-20	£72,592	£49,929	£10,852	£2,895	£136,268
This Year	Feb-21	£21,021	£64,867	£35,913	£885	£122,686
	No. of bookings	36	72	31	1	140
	Average Value	£584	£901	£1,158	£885	£876

The average wedding price is more for 2021, as 10 couples are still hoping that they can marry late summer taking complete private rental for their reception as well. This was not able to happen last summer at all due to lockdown and COVID-19 restrictions being enforced.

Non wedding Business, such as Seminars, Meetings, Workshop Days, Belated special Birthday Parties to name but a few were missed due to the Pandemic. I am sure this will start to increase, as people will want to meet up face to face, as confidence grows with coming out of the Pandemic. This is one area that we need to market and stay competitive.
