

# Arundel Farmers Market - Working group update

3rd July 2021

## **June 2021 market:**

June was a successful farmers market. The weather was good and we had 51 stallholders and expanded the market location to the quayside.

## **Report on plans for hospitality business at the Market.**

We are working with ADC to enable hospitality businesses to be granted pavement licences. Due to the extension of Covid- 19 restrictions this has been delayed.

There have been a few bumps in the road which can hopefully be ironed out as the key ADC officers are now back from holiday.

We are working through some additional challenges for businesses that are located between Macalls and Sims Williams due to access required to the Norfolk Arms
