

Third Saturday of every month

Lower High Street road closure 06:00-15:30

**Market trading 09:00-13:00
(14:00 in August and December)**

For access to Norfolk Arms car park on market days:

Please see the map overleaf for an overview of the road closures and diversion routes.

Follow the **YELLOW** route, then the **BLACK** arrows through the road closure barriers in the photograph below, by Arundel Post Office, turning right into Mill Lane to access the Norfolk Arms car park.

Please note this part of the High Street is no-entry from this direction, except for access to the Norfolk Arms car park on market days.

Please drive slowly at 5mph and be aware there may be vehicles from the opposite direction exiting the car park as well as pedestrians in the road.

Farmers Market marshals are in green branded hi-vis. A marshal will be at the barrier to assist where possible, but if the barrier is unattended then it will be left partially open for access.

We hope you enjoy your stay in Arundel and find the time to pay us a visit!

ROUTES FOR DELIVERIES, VISITORS AND RESIDENTS DURING ROAD CLOSURES
